17 August 2022

Dear Parent/Carer

Re: Treasure Island Performance – Hall for Cornwall 8 December 2022

We are delighted to announce that we have booked tickets for the whole school to attend a performance of Treasure Island at the Hall for Cornwall on 8 December 2022. We have been able to secure seats at a discounted price of £10.00 per pupil. Kea School Friends have very kindly offered to pay the coach travel to the performance.

The performance starts at 11.00 am and will finish at approximately 1.00 pm. As this will go over the children's lunch break period they will need to bring a packed lunch with them on this day. Parents can provide their own packed lunch or order one from the school kitchen using the online link below. There will be an interval during the performance so that the children can eat some/all of their packed lunch and go to the toilet. Children will be able to eat the rest of their lunch when they return to school.

We ask for parents to pay the cost of the performance and a payment request has been sent to your Parent Pay account. Please complete the online consent form below (one per pupil) giving your consent for this event.
