

### Message from Mrs Hunkin

What lovely weather we've had for the past few days. Many children have been full of tales of barbecues and trips to the beach over the weekend. After school clubs have started this week and although fewer in number than we'd normally have this time of year, it is great to hear the buzz of activity after school the past couple of days.

Following recent teacher interviews, I am delighted to inform you that Michael Barritt has been offered (and accepted) the role of deputy headteacher. He is a very good teacher with a wealth of experience throughout the curriculum (including Forest Schools) and he performed extremely strongly in each of his interview tasks. Kim Lawrence has been appointed to work in YF with Mrs Harvey. She is a very experienced early years teacher and has carried out EYFS moderation and early years training and support for other schools. Both of these teachers will be visiting several times during the next few weeks and are really looking forward to joining the team.

Although I am really hoping that we'll be able to go back to normal routines from September, it is still unclear whether this will be allowed to happen and whether current Covid regulations will still need to be in place then. We will let you know as soon as possible.

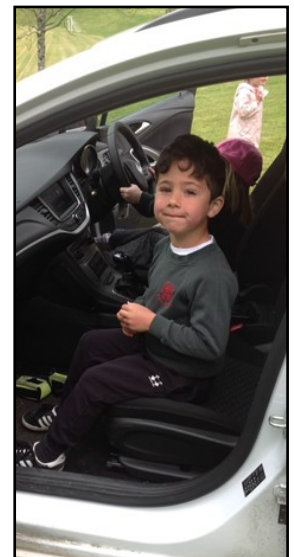

Michael Barritt  
New Deputy Headteacher

Kim Lawrence  
New YF teacher

### Foundation

As part of our 'people who help us' topic, Foundation were excited to be visited by a police officer and community support officer. They brought the police car and we all got to sit in it, even sounding the siren! We learnt all about what the police do and how they help us. We had the chance to dress up in clothes and also had our finger prints taken.

### Year 1 Sports and Games

In Year 1 we finished our Sports and Games topic with a great Art and Design project. All the children chose their favourite sport or game that we had studied and designed their own sports T-shirt. They then printed their design onto a white T-shirt using their design template, sponges and fabric paints. The children were extremely proud of their finished products.

## Year 2 Climate Action

Year 2 had a fabulous day on 11 June for Cornwall Climate Action Day! We were learning about why bees are so special to the environment and why we need to look after them. Bees help us to have a healthy environment and we rely on them and other insect to pollinate most of our fruit and vegetables. As natural landscapes are being replaced with towns and cities, we decided to make 'Bee Hotels' so that our local bees have places to nest. Year 2 worked so hard to make their 'Bee Hotels'. Well done Y2!

### Kea School Friends Summer Raffle

Non School Uniform is on **Friday 25 June** - please bring in a donation for the KSF summer raffle.

Raffle tickets are on sale now and can be purchased by emailing [keaschoolfriends@outlook.com](mailto:keaschoolfriends@outlook.com) by Monday 28th June.

Winners will be drawn on Friday 2 July.

### Well Done Polly

Well done to Polly (year 3) who was amongst about 1000 protesters on Saturday at the Surfers against Sewage protest for the G7 Summit on Gyllyngvase beach. She made the banner all by herself with a little help from mum and dad.
