Dear Parent/Carer

Re: Year 5 & 6 After School Collection

As you are probably aware, we permit children in years 5 and 6 to walk or cycle home from school at the end of the day without a parent.

In order for us to compile an accurate list, please could you indicate on the online form below if your child will be walking or cycling home by Monday 11 September.

<https://forms.office.com/e/exy1fV0Jzi>

If your child needs to bring a mobile phone into school, they must hand this into the school office. Children are not allowed to have mobile phones with them during the school day. Phones can be collected from the office at the end of the day.

Many thanks.

Yours sincerely

Katherine Hunkin
Headteacher
