

A GREAT PLACE TO LEARN AND MAKE FRIENDS

## Pumpkin Fun in Foundation

Foundation Class have been exploring Autumn. This week, we have been looking at pumpkins and have enjoyed designing our own in art (writing their names too), hammering golf tees into them and exploring them in the tuff tray. We were also really interested in the hail outside. We stopped what we were doing to go and look. We all held the hail and watched it melt slowly in the classroom during the rest of the day.

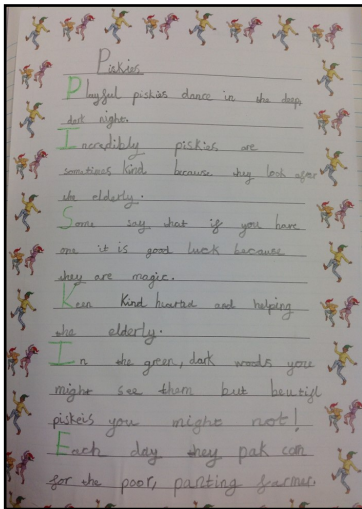

## Cornish Myths and Legends in Year 1

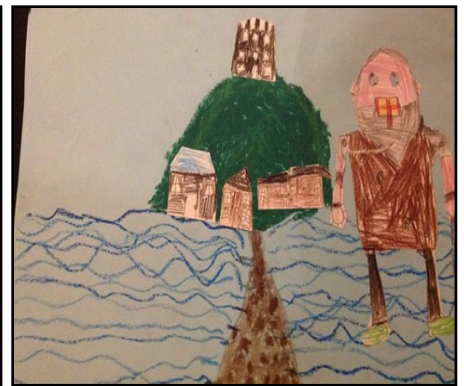

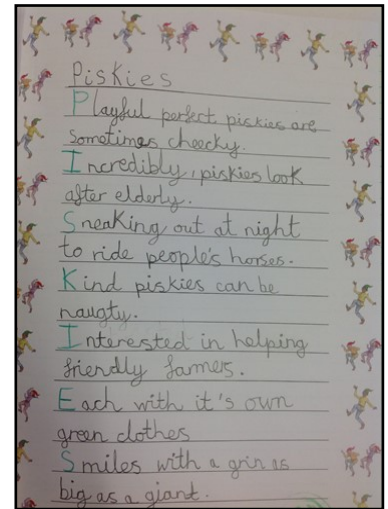

To continue our topic of "Cornish Myths and Legends", we have been learning about a mean Cornish giant named Bolster. We made Bolster out on the balcony using construction and natural materials. We also wrote descriptive poems about him.

## Cornish Piskies and Giants in Year 2

Before half term, Year 2 created some amazing Acrostic Poems about Cornish Piskies linking to our topic of Cornish Myths and Legends!

In art, Year 2 used different textures to create a piece of artwork about Cormoran the Giant who is believed to have lived on St Michael's Mount! First of all, we used oil pastels to draw the mount, sea and path. Then we used pencils to draw the buildings and our version of Cormoran the Giant!

## Operation Christmas Child 2020

Each year, more than 10 million gift-filled shoeboxes are distributed to children in over 100 countries as part of Christian humanitarian project, Operation Christmas Child. This year, St Kea Church has become a local collection centre for Operation Christmas Child, meaning you can drop off your shoeboxes there during National Collection Week (9th - 16th November).

Details of opening times and a step by step guide to packing a shoebox can be found on the Samaritans' Purse website.

Please join us in creating a mountain of shoeboxes to deliver this Christmas!
