KEA SCHOOL FRIENDS

July 2022

Wow, I cannot believe we are at the end of the school year! It has gone so quickly.

The year started with uncertainty and that brought its own challenges ... luckily, we were able to return to face-to-face events by Easter and finish the year on a high with the return of the Kea Summer Fete. This was my highlight of the year, (always closely followed by the Wrapping Room).

We have been delighted to fund so many school trips for the children, including Kea Church workshops, Royal Cornwall Show Ground visits, beach trips and lots more. We were also privileged to once again fund the year 6 leavers hoodies. We think they all look amazing and we wish all our year 6 leavers the best of luck on their new journey beyond Kea School!

Over the course of the year, we have given almost £6,200 directly to the school to pay for these trips, class resources and events to enrich our children's educational experience. This is an incredible amount which could not happen without your help and support. When we couldn't run face to face events and had to make do with virtual raffles you donated prizes, and bought tickets and when we eventually could go back to live

events you all turned up, supported and helped, and we are all very grateful for all this.

This in turn leads me to another thank you, for my amazing KSF Team this year. Each and every member has been so committed to making our plans work. Even though not everybody gets involved with every event or meeting, everyone has been invaluable, and the way everyone pulled together for the Summer Fete was amazing! Thank you guys! We do however have lots of room for new faces in KSF so if you feel you could get involved, in a big or small way, send me a message or find me or a class rep in the playground to find out more. We would love to see you in September!

I hope everyone has a great summer and the sun shines for you, whatever your plans may be. I look forward to seeing you all again in September for a new year of events and to welcome our new Year Foundation children and their families to Kea School.

Thank you to everyone.
