YR3 PROGRESSION IN MASTERY LESSON PACK - MONTHS AND YEARS

REASONING 1

Anita says...

There are 366 days in a year.

Do you agree with her?

Explain why/why not.

REASONING 2

What's the same? What's different?

January

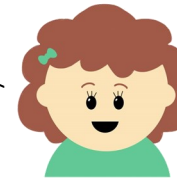

March

Describe, in as many ways as possible.

REASONING 3

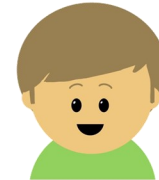

Whose birthday is the odd one out?

Darcey

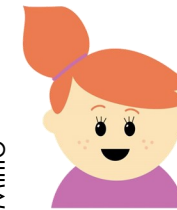

It is the month after June.

Jerry

It is the 7th month.

Millie

It is the month before July.

Explain your reasoning!

YR3 PROGRESSION IN MASTERY LESSON PACK - MONTHS AND YEARS

PROBLEM SOLVING 1

FIRST

Use the clues to work out what each person's favourite month is.

Alfie		My favourite month is three months before Christmas.
Asha		My favourite month is four months after Ranjit's favourite.
Ranjit		My favourite month is two months after Alfie's favourite.
Jerry		My favourite month falls between Alfie and Ranjit's favourite.

NOW

Order the months from the earliest in the year.

PROBLEM SOLVING 2

Oh no! I have split nail varnish on my calendar. I have to go to the dentist in May but I don't know when.

List all the dates that Darcey's appointment could be.
