

# KEA COMMUNITY PRIMARY SCHOOL

*A great place to learn and make friends*

## Year 1 homework – Autumn Term 1

### Level 1 Homework (must be completed and handed in by the due date)

**Numbots** 15 minutes per week (ideally 3 minutes a day, 5x a week).

Click here for the [Numbots Parent Guide](#). The log-ins are in the back of reading records.

**Reading** - 5x a week (ideally for 5-10 minutes each time).

Please ensure that all reads are entered into reading records and initialled by an adult, as these will be counted on a Thursday.

For Level 1 homework, the week runs from a Friday to Wednesday.

### Level 2 Homework (we would love you to have a go at completing this and share it with your class teacher)

Complete one of these tasks each week. You can choose what order you complete the tasks. Have fun!

#### English

After reading *The Rainbow Fish*, talk with your grown-up about what made Rainbow Fish happy in the end. Then complete the following writing activity:

1. **Draw a picture** of yourself as a Rainbow Fish. Decorate your fish with shiny scales and a big smile!
2. **Write 2–3 sentences** about a time you shared something or were kind to someone.  
You can start with:
  - "I shared my..."
  - "I was kind when..."
  - "It made me feel..."

#### Reading Task

We love reading books in our class! Please feel free to bring in your favourite book to read in class- this can be spread out through the term! At home perhaps you could talk about your characters and parts of the story!

## Maths

In maths, we are going to be learning about place value to 10! I would like you to create your own snap/ memory game (numbers to 10)! On one card write the number, on another card draw pictures to represent the number. Turn them all over and try to match them up! Send me a picture on dojo while you are playing!

## Science

In Science, we are learning about what makes us mammals. Click on the link below, re-watch the videos if you would like, complete the 3 activities. Send me a picture on Dojo or let me know when you've done this!

[What are mammals? - BBC Bitesize](#)

A mammal has hair (fur, whiskers, spines), is warm-blooded, produce milk for their babies and breathe oxygen.

## History

In History we are looking at our own past and the past of our families. So for this project we are looking at creating a family tree. So go and collect photos and stories from your families. Talk about them with each other send me any pictures of your family tree!

## Art

In art, we are looking at self-portraits in the style of Julian Opie.

Julian Opie art includes tracing images with thick black lines and using block colours to create a pop-art style.

I would like you to draw pictures of your family and colour it in with either paints, pencil or even you could try it digitally. Create your own little gallery inspired by the artist Julian Opie. I would love to see pictures of what you have created.

Learn the following KIRFS (suggest 2 minutes a day 5x a week). There will be a KIRFS quiz set at the end of each half term.

#### Science

1. A herbivore only eats plants.
2. A carnivore only eats meats.

#### History

1. The past is something that has happened.

For level 2 homework, the week runs from a Friday to a Wednesday.

### Level 3 Homework (we would love you to have a go at these ongoing projects, artwork or research tasks and bring them in when ready)

As our topic is 'Marvellous Me', I would like you to create a scrapbook all about yourself. It can have drawings, pictures, photos, things that you like, hobbies that you do, your pets, your family, the list is endless!

As soon as you have made your scrap book, bring it in and you can show the class!

This task will be until the end of half term.

Remember the importance of staying SAFE online. ALWAYS check with a grown up before using any game, device or app. For further information about staying safe online, visit [this section](#) of our school website.

## Healthy Body, Healthy Mind 'Homework'

At Kea CP School, we very much value the importance of extra-curricular activities, outdoor pursuits and family fun. We would love to hear about any activities you get up to outside of school! Please feel free to share any certificates, photos or write-ups of your adventures! It might be something you achieve at a club, or a picture of a lovely day spent at the beach! Anything is welcome- it may be that we share this on our whole class or school Dojo (consents permitting)!

**Please email to [secretary@kea.cornwall.sch.uk](mailto:secretary@kea.cornwall.sch.uk) with 'Year 1 healthy body, healthy mind' in the subject bar.**
