

# KEA COMMUNITY PRIMARY SCHOOL

*A great place to learn and make friends*

## Year 6 homework

### Level 1 Homework (must be completed and handed in by the due date)

**Times Table Rockstars**- 15 minutes per week (ideally 3 minutes a day, 5x a week).

**Spelling Shed**- 15 minutes per week (ideally 3 minutes a day, 5x a week). Work on the spelling assignment you have been set (containing statutory spellings). When you reach 'Royal Bee', a Mastery Zone Button will appear. Children should then click and play on this it will automatically determine their spelling strengths and areas for improvement. Also, more games will appear for you to play!

**Reading a book chosen from our class shelves**- 5x a week (ideally for 5-10 minutes each time). In year 6 this can be reading quietly rather than aloud and listened to, however a combination of both is welcomed. Please ensure that all reads are entered into reading records and initialled by an adult, as these will be counted on a Friday.

For Level 1 homework, the week runs from a Friday to Friday

### Level 2 Homework (we would love you to have a go at completing this and share it with your class teacher)

Our topic for this term is 'Brainiacs & Breakthroughs'. As part of this, we will be looking at inventing our own gadgets or inventions which we would like to see in the future. For your level 2 homework, please could you research your favourite invention or inventor and produce an active/3D presentation to share with the class. Your presentation could take many forms including quiz/PowerPoint/Film- think outside the box.

Learn the following KIRFS (suggest 2 minutes a day 5x a week) There will be a KIRFS quiz set at the end of each half term.

1. The world is split into seven continents, they are Asia, Africa, North and South America, Antarctica, Europe and Australia.
2. France, Italy, Germany, and Spain are all countries in Europe. (FIGS)
3. Nordic countries are Finland, Iceland, Norway, Denmark and Sweden. (FINDS)
4. The USA and Canada are large countries in North America.
5. Brazil, Argentina, Peru, Venezuela and Chile are countries in South America.
6. The world is divided into 24 different time zones. Large countries can have many time zones.

### Level 3 Homework (we would love you to have a go at these ongoing projects, artwork or research tasks and bring them in when ready)

From September, our year group classes will have names! One very special name, 'Parry', is already reserved for a class, but the rest are up to you! We would love you to pick an important or wonderful person who calls or called Cornwall 'home'. To enter your suggestion, you will need to do some research on that person and let us know why you think we should name one of our classes after them! Your research could take the form of a poster, an information text, a biography, a homemade Top Trump card, a painting whatever you like! Try and include as much interesting information as you can. You are welcome to enter as many times as you like and choose a different person to research each time! We will be sharing wonderful work with the school community and then announcing the new class names based on your researched suggestions. There are so many important people that lived or live in Cornwall. See if you can introduce us to someone we might not know. Perhaps some of you will research Richard Trevithick, the Cornish engineer who invented the steam locomotive? Or maybe the life of Joseph Emidy, an 18th century musician who spent parts of his life enslaved before going on to lead Truro Philharmonic Orchestra? Or how about Rick Rescorla, a former soldier from Hayle who sadly died whilst saving others during the events of 9/11 in America? We can't wait to see who you suggest! This task may require you to use the internet for research. Please only do this with an adult's support and remember to be SMART when online.

Bring this information in or share it via ClassDojo when completed.

### Healthy Body, Healthy Mind 'Homework'

At Kea CP School, we very much value the importance of extra-curricular activities, outdoor pursuits and family fun. We would love to hear about any activities you get up to outside of school! Please feel free to share any certificates, photos or write-ups of your adventures! It might be something you achieve at a club, or a picture of a lovely day spent at the beach! Anything is welcome- it may be that we share this on our whole class or school Dojo (consents permitting)!

**Please email to [secretary@kea.cornwall.sch.uk](mailto:secretary@kea.cornwall.sch.uk) with 'Year 6 healthy body, healthy mind' in the subject bar.**

Remember the importance of staying SAFE online. ALWAYS check with a grown up before using any game, device or app. For further information about staying safe online, visit [this section](#) of our school website.
