Exclusive Interview with Mr Barritt

By Aeryn, Amelie, Bea, Faith, Leo, Marley, Phoebe and Tegan.

Some of us may know there are two new teachers here at our school, Mr Barritt and Mrs Lawrence. They are just as lovely as our other teachers, here is an interview with Mr Barritt.

1. Why did you decide to come to Kea?

When I came to look at the school for the interview I got a really good impression. I had to decide if the school was right for me. It wasn't only about if I was right for the school. I have been working as a teacher 12 years. I love it here so far!

2. Tell us about your family.

I have a younger sister. I have two sons and I am engaged. I also have three cats.

3. You have lots of amazing tattoos and you also have ear lobe extensions. Tell us about those.

I got tattoos and earlobe extensions because my friends have tattoos. They are a part of my personality. Also, I love art. My tattoos are artwork. I love having art with me wherever I go.

4. Why did you decide to become a vegan and what's your favourite vegetable?

I was vegetarian before I was a vegan and I didn't like the idea of eating something made by an animal. My favourite vegetable is pak choi. Try it! You won't be disappointed.

5. Do you have any hobbies?

Yes I do! I love music. I also love comedy and I do stand up-comedy. I love learning new things with my two children. My children are learning to surf at the moment, which means I am learning to surf as well! I also love football. I am a Birmingham City fan. I am from the West Midlands. In fact, my Grandad was head teacher of St Andrew's school, which is right next to Birmingham City football grounds (St Andrew's stadium).
