

A GREAT PLACE TO LEARN AND MAKE FRIENDS

Foundation

Foundation have really enjoyed our time in the ICT suite and library. We have learnt how to control the mouse on the computers and navigate our way around different programmes. We have learnt how to use Tizzy's Tools, creating some lovely pictures and beginning to write on it too. We made firework, rocket and family pictures. We even started to type some words. In the library, we have enjoyed reading the picture books and also finding out information from the non-fiction books.

Year 1- Gifts and Presents Topic Day

To launch our topic of "Gifts and Presents", we had a Topic Day where the children designed and made a gift for a friend. They really enjoyed thinking about what their friend would like and making something appropriate. We then exchanged gifts and said "Thank You" to each other. All the children had smiles on their faces and enjoyed giving and receiving.

Year 2

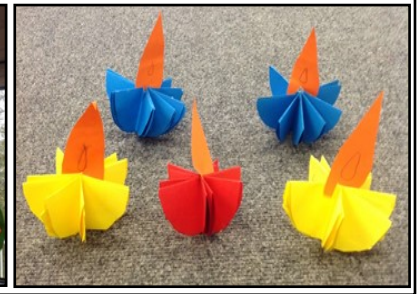

Hinduism

Year 2 have been learning about Hinduism and we have learnt that Diwali is a festival of lights which is celebrated by Hindus. In celebration of Diwali, we have made Rangoli Window Decorations and Diwali lamps!

Entry Point Day

As part of our topic of Gifts and Presents, for our entry point day we designed and made a Bag Tag for another member of the class. It was so lovely to see all of Y2 being so kind and considerate towards each other. Each pair had some time to find out the likes and dislikes of their partner, before designing and making their Bag Tag. Year 2 learnt that even though it was lovely to receive a gift, it was equally as lovely to give a gift!

Well Done Leon

Well done to Leon year 4 who took part in the Eden Project's Virtual Sleep Out event and raised £150 for St Petrocs. The event is normally held at the Eden Project and it's held to raise awareness and funds to support the tens of thousands of young people who experience homelessness in the UK every year. This year, people took part by sleeping out in their own homes and gardens.

Poppy Appeal

Thank you for supporting the poppy appeal.

We raised **£254.36**
