

# KEA COMMUNITY PRIMARY SCHOOL

*A great place to learn and make friends*

## Year 1 homework – Autumn Term 2

### Level 1 Homework (must be completed and handed in by the due date)

**Numbots** 15 minutes per week (ideally 3 minutes a day, 5x a week).

Click here for the [Numbots Parent Guide](#). The log-ins are in the back of reading records.

**Reading** - 5x a week (ideally for 5-10 minutes each time).

Please ensure that all reads are entered into reading records and initialled by an adult, as these will be counted on a Thursday.

For Level 1 homework, the week runs from a Friday to Wednesday.

### Level 2 Homework (we would love you to have a go at completing this and share it with your class teacher)

Complete one of these tasks each week. You can choose what order you complete the tasks. Have fun!

#### English

We are learning a text called 'What's in the toy box?'. I would love for you to look in your toy box and draw a picture and label your favourite toys. Look at the textures and colours!

#### Reading Task

Linking to our writing topic, can you find a poem that you like and send/bring it in for me to read at the end of the day!

#### Maths

In Maths, we are learning about addition and subtraction. As part of this we are looking at number bonds to 10.

This website has fun number bonds games - [Hit the Button - Quick fire maths practise for 6-11 year olds](#)

Click number bonds and then choose your focus within 10. I would start with "Make 10."

## Science

In Science, we are learning about different materials and how they are made. Watch the video and complete the activities and quizzes on identifying everyday objects and materials. Let me know how you get on and what you discover!

<https://www.bbc.co.uk/bitesize/topics/z8kf8p3/articles/z6jm7yc>

## Music

'Tis the season to be jolly! We will be learning our songs for our Christmas play – once we have decided our songs I will post them on Dojo and would love for you to practise at home!

## D.T

We are looking at mechanisms- specifically wheels and axles! Have a search around your home and see what objects you can find with wheels and axles (this could be a toy, bike etc!) Have a play with them and observe how they work!

Learn the following KIRFS (suggest 2 minutes a day 5x a week). There will be a KIRFS quiz set at the end of each half term.

### Science

1. A material is what an object is made from.
2. Glass, plastics, wood and bricks are made from.

### PSHE

1. I dial 999 for emergency help.
2. I am special because....

For level 2 homework, the week runs from a Friday to a Wednesday.

**Level 3 Homework (we would love you to have a go at these ongoing projects, artwork or research tasks and bring them in when ready)**

Create a 'Eco-friendly' Christmas decoration for our Christmas Tree Decoration Ceremony on the 29th November. There are many ideas if you Google "eco-friendly Christmas craft ideas" or similar.

Try to:

- Avoid single use plastics e.g. glitter
- Upcycle something such as a clothes peg, fir cone or piece of recycling.
  - Make it no bigger than 15cm.
  - Make sure it has a secure fastening.

Please make sure the decoration has your name on it.

This task will be until the end of half term.

Remember the importance of staying SAFE online. ALWAYS check with a grown up before using any game, device or app. For further information about staying safe online, visit [this section](#) of our school website.

## Healthy Body, Healthy Mind 'Homework'

At Kea CP School, we very much value the importance of extra-curricular activities, outdoor pursuits and family fun. We would love to hear about any activities you get up to outside of school! Please feel free to share any certificates, photos or write-ups of your adventures! It might be something you achieve at a club, or a picture of a lovely day spent at the beach! Anything is welcome- it may be that we share this on our whole class or school Dojo (consents permitting)!

**Please email to [secretary@kea.cornwall.sch.uk](mailto:secretary@kea.cornwall.sch.uk) with 'Year 1 healthy body, healthy mind' in the subject bar.**
