

# Autumn 2 – Winter Festivals

## MATHS

Our units this half term are Addition and Subtraction and shape . A detailed breakdown of the learning objectives we will cover this half term can be found by clicking the link above.

## SCIENCE

Our science unit will be ‘Scientists and Inventors’

1. I can describe how greenhouses help plants grow healthily.
2. I can use my own ideas to explain how doctors use science.
3. I can describe what is important in order to stay healthy
4. I can find out why we wash our hands.
5. • I can describe Charles Macintosh and his famous invention.
6. I can describe what Rachel Carson learnt about ocean habitats.

## HISTORY R.E.

RE: Why does Christmas matter to Christians? In this unit, children will be learning to:

- Give a clear, simple account of the story of Jesus’ birth and why Jesus is important for Christians.
- Give examples of ways in which Christians use the story of the Nativity to guide their beliefs and actions at Christmas.
- Think, talk and ask questions about Christmas for people who are Christians and for people who are not.
- Decide what they personally have to be thankful for, giving reasons for their ideas.

**Advent is a time for Christians to prepare for the celebration of the birth of Jesus.**

**Churches display an Advent crown or Advent wreath during Advent.**

## ENGLISH- Reading and writing

We will be writing a non-chronological report about Bonfire Night. We be participating in lots of work on spoken language through drama for our Nativity of ‘Baarmy Bethlehem’. We will also be reading and retelling the story ‘Dipal’s Diwali’.

We  reading!

## ART and D.T.

**We will be learning to:**

1. Draw a self portrait.
2. Explain that Picasso was an artist who painted portraits
3. Use materials to make an abstract portrait
4. Discuss portraits by Paul Klee and use watercolors to make a background
5. Create a line drawing
6. To create a Pop Art portrait in the style of Andy Warhol.

**Click the subject names for more information on our website!**
