

W O R L D O F S P O R T
S U M M E R 2

READING

We will continue to cover the discrete reading skills through a class book and topic specific texts:

- Vocabulary
- Infer
- Predict
- Explain
- Retrieve
- Summarise

Vocabulary: define evidence migration
 refugee voluntary uncompromising

WRITING

The text types we are learning about this half term are:

- Persuasive writing - Based on the stories of refugees for National Refugee Week
- Letter writing - Writing to the new Foundation children

Vocabulary: persuasive anecdote relative clause
simile modal verbs ellipsis

MATHS

We will be continuing working through our maths units, focusing on fluency skills and then developing our reasoning and problem solving.

- Perimeter and area
- Shape - Angles
- Decimal numbers
- Negative numbers
- Converting units
- Volume

Vocabulary: perimeter area angles

negative acute obtuse irregular

SCIENCE

We will be learning about how humans age.

- o Describe the changes as humans develop to old age.
 1. An **embryo** is formed in a female and this grows into a foetus.
 2. A **foetus** grows inside a human mother and after 40 weeks **gestation** a baby is born.

 4. During puberty, our bodies undergo lots of changes and **hormones** may change how we feel.
 5. In **adulthood**, the body is fully developed.
 6. **Late adulthood** is the last stage in the life cycle.

KIRFS
KEY INSTANT RECALL FACTS AND SKILLS

Vocabulary: embryo female foetus
male gestation hormones life cycle

GEOGRAPHY

We will be learning about North and South America, as well as researching trips across Europe.

- Planning a trip across Europe
- Researching different European countries
- Locate and name North and South American countries
- Analysing global temperatures and make deductions

1. The world is split into seven continents, they are Asia, Africa, North and South America, Antarctica, Europe and Australia.
2. France, Italy, Germany, and Spain are all countries in Europe. (FIGS)
3. Nordic countries are Finland, Iceland, Norway, Denmark and Sweden. (FINDS)
4. The USA and Canada are large countries in North America.
5. Brazil, Argentina, Peru, Venezuela and Chile are countries in South America.
6. The world is divided into 24 different time zones. Large

Vocabulary: destination journey distance

Nordic continents average temperature

COMPUTING

We will be learning about vector graphics.

- To identify that drawing tools can be used to produce different outcomes
- To create a vector drawing by combining shapes
- To use tools to achieve a desired effect
- To recognise that vector drawings consist of layers
- To group objects to make them easier to work with
- To apply what I have learned about vector drawings

Vocabulary: vector graphics layers group
duplicate object alignment freehand

P . S . H . E

We will be learning about how to take care of our bodies.

- We can choose what happens to our own bodies;
- Know where and how to get help if we are worried;
- Understand the importance of sleep, exercise and healthy eating;
- Identify ways in which certain drugs, including tobacco and alcohol, can harm our bodies;
- Identify positive aspects about ourselves;
- Discuss the choices related to health that we make each day;
- Identify choices that will benefit our health and provide a 'balanced lifestyle';
- Identify ways to protect our bodies from ill health.

1. I dial 999 for emergency help.
2. Childline telephone is 0800 1111.
3. SMART acronym for internet safety means SAFE, MEETING, ACCEPTING, RELIABLE, TELL.
4. Collaboration is working together on an activity or project.

Vocabulary: consent respect Childline

Female Genital Mutilation (FGM) lifestyle vaccinations/ immunisations

ART OR D.T.

We will be learning about mixed media by creating a sporting picture, using a photograph of ourselves.

Vocabulary: mixed media self-portrait
assemblages materials composition

R . E .

What do Christians believe Jesus did to save human beings?

- What are the key events in Christ's crucifixion?
- Why did Jesus sacrifice his life for us?
- What are the key symbols of holy communion?
- Who are the ten modern martyrs?

1. The Old Testament describes how humans are 'fallen' and in need of rescue (or salvation).
2. The Old Testament tells the story of God's plan to reverse the impact of the Fall, to save humanity.

Vocabulary: crucifixion martyr sacrifice
 sacrament Eucharist salvation

FRENCH
