### Level 3 Homework (we would love you to have a go at these ongoing projects, artwork or research tasks and bring them in when ready)

**Piece 1** - The Royal Mint is holding a short story competition based on the topic coins and the sea. They are exploring the role coins have played in Britain's history of seafaring. How they have been used by sailors and traded by merchants, how they have been tokens of good luck or the captured wealth of a rival, and how their role at sea has inspired imaginations from pirates to sunken treasure. The deadline is 29<sup>th</sup> March 2024 and entries can be submitted directly to The Royal Mint but we'd love to see a copy.

**Piece 2** – Create a summary about one of the planets in our solar system. You can choose how to present this – A factsheet, a short video, a poem, the choice is yours!
