

Foundation Class

Foundation class enjoyed learning all about Chinese New Year last week. We learnt all about how Chinese people celebrate the new year and compared that to our festivals we know about.

We watched dragon dances and made dragon masks for our own parade. We used oil pastels for these masks, exploring how they were bright and vibrant but couldn't blend together unlike the soft pastels which we used last term.

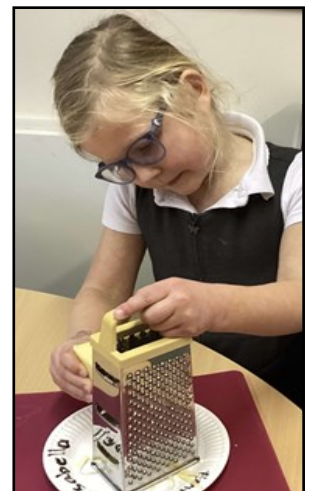

We tucked into a Chinese meal, tasting lots of new foods. After, we voted for our favourite foods and showed the results in a bar graph. We also had a go at writing numbers in Chinese.

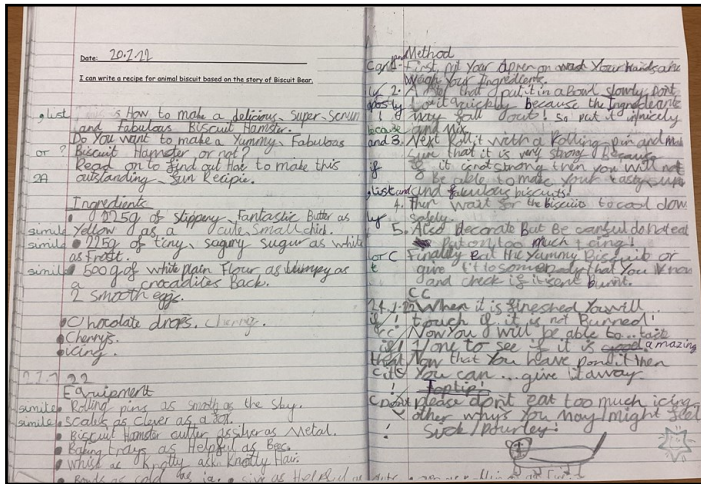

Year 1

In Year 1 we have combined our "Food" topic and Geography topic to learn to cook foods from each of the four UK countries. So far, we have made English healthy chips, Scottish oat cakes and Welsh rarebit. We have learned how to measure ingredients, read a recipe, cut vegetables safely, combine ingredients, grate cheese and toast cheese safely.

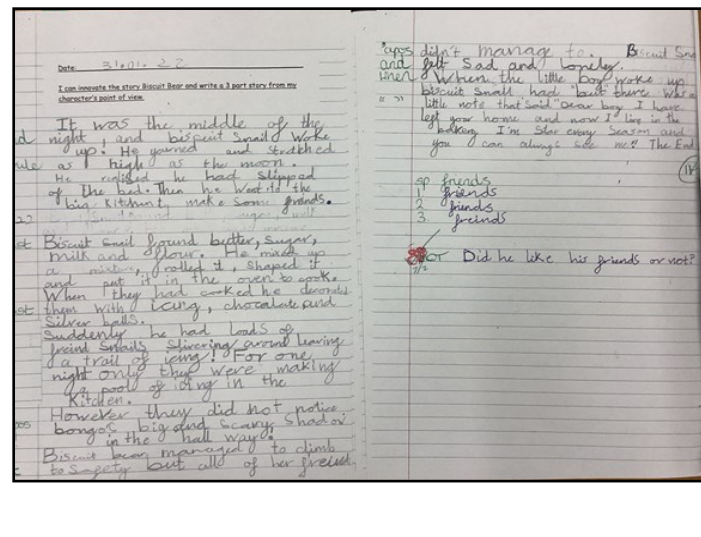

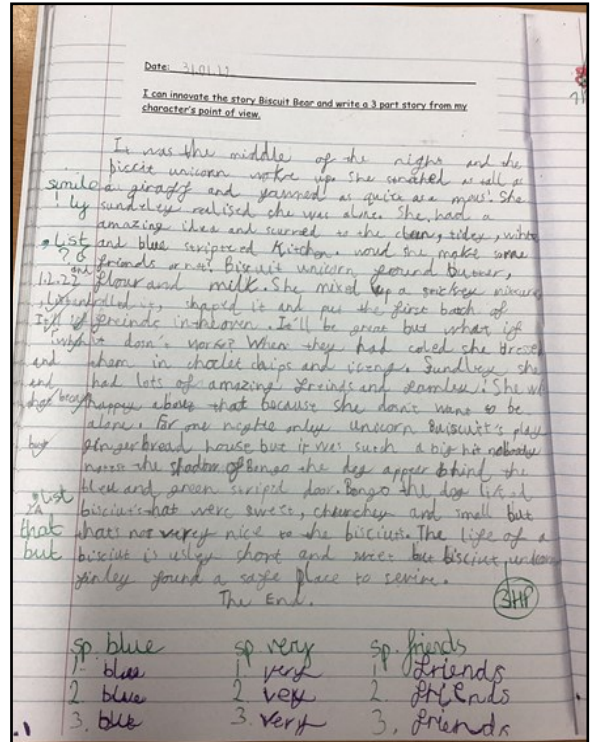

We will be publishing our recipes in our Year 1 Food Magazine.

Year 2

Year 2 have been doing some fantastic writing based on the story of Biscuit Bear. We designed our own biscuits and then wrote instructions for them! Also, we've been doing some fabulous story writing where we imagined that our biscuit came to life!
